```

```
   F                                          Am
2. | Yeah yeah Well, keep the price tag And take the cash back | Just give me six strings and a half stack And
                  Dm                                              Bb
 you can keep the cars | Leave me the garage And all I, yes all I need Are keys and guitars | And guess what, in
                  F                                        Am
30 seconds I'm leaving to Mars | Yeah we leaving across These undefeatable odds | It's like this man You can't
              Dm                                          Bb
put a price on life | We do this for the love So we fight and sacrifice Every night | So we ain't gonna stumble and
              F                          Am                              Dm
fall and never | Waiting to see, a sign of defeat Uh uh | So we gonna keep everyone moving their feet | So bring
                          Bb
back the beat And then everyone sing | / / ~ ^Its not=a=bout=the |
```

Repeat <u>CHORUS</u> x2 and finish with chords intro x2
